Teachers . . .

Primary, Kindergarten, Preschool!

How does your school library media center catch the little ones? How does it help them growing and learning? Does it lend toys or animals, hold festivals, share stories, use equipment?

The Early Childhood Education Committee of the AASL is seeking to identify good programs for young children in school library, media centers through the U.S.A. When compiled, we will make our list available to teachers, librarians and media specialists.

Information is needed by July 1, 1976, so please send a description of your activities to: Mrs. Elizabeth Shirley, 232 Essex Dr., Rt. 5, Concord, TN 37720.
